

Creating a visual impact for walls couldn't be easier. Our new Interlocking Slate Wall Cladding with cement backing is so quick and simple to install, you can expect to reduce labor costs by as much as two-thirds. These great-looking interlocking pieces measure eleven and twenty-four inches by eighteen inches, and are approximately five-eighths of an inch thick. Easy to work with and a cinch to install. A touch of warmth and excitement for any interior vertical space.

This exceptional product is ours exclusively, another innovation from International Slate & Stone. Available in Variegated Green, Desert Storm, Muted Green and Ebony as standard colors. Other colors and tones available by special order.

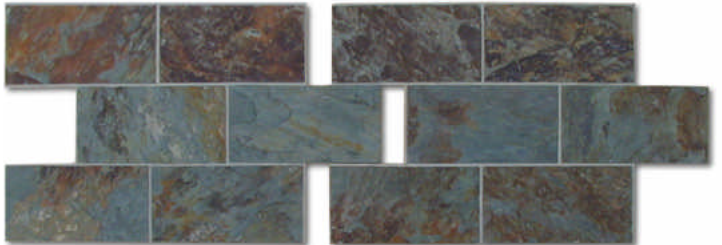

Minimum Orders

International Slate & Stone is now offering value-savings with minimum orders as low as four crates for our complete line of slate roofing, flooring and landscaping slates. Minimum order is 100 pieces. Each piece covers approximately three square feet. Sorry, we cannot accept orders for partial crates.
