

Mosaic Medallion, another exclusive innovation from International Slate & Stone, is the newest way to create interest underfoot, or add impact to walls. This colorful, attractive slate design comes in 11 3/4 inch x 11 3/4 inch square tiles, that are simple to install. Each piece covers one square foot, including the 1/4 inch grout line. Patterns are created using slate shapes that are precision-gauged to a uniform thickness of 3/8 inch, then arranged and mounted on a mesh backing for easy handling.

Choose from two distinct patterns. MT1- Petals Medallion and MT2- Starburst Medallion. Direct-to-you value priced at \$9.95 each, plus ground shipping charges. Both designs are available in combinations of Variegated Green and Ebony. Custom color combinations are available for an added cost of \$1.00 per piece.
