

Tumbled Mosaic Slate (TMS-1) is a tumbled mosaic slate available in four sizes: three quarters of an inch by one and one half inch (3/4" x 1-1/2") one inch by one inch (1" x 1"), two inches by two inches (2" x 2") and four inches by four inches (4" x 4"). All pieces are uniformly gauged to a thickness of three-eighths of an inch (3/8") for easy, flush installation. The smaller sizes are designed and shaped to stimulate acupressure points on the bottom of the bare feet, creating a feeling of "well-being," as they are walked on.

They are excellent choices for showers and bathroom flooring. Colors are Ebony and Muted Green. TMS-1 is also available in Beige Marble. Mat sizes are twelve inches by twelve inches (12" x 12").

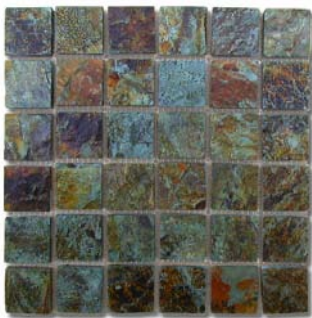

**Minimum Orders**

International Slate & Stone is now offering value-savings with minimum orders as low as four crates for our complete line of slate roofing, flooring and landscape tiles. Please calculate your slate needs to the full load. For

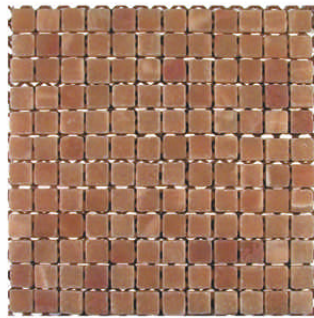

example, a full crate of Slate contains 360 square feet. If you need 1,500 square feet, please order five crates. Sorry, we cannot accept orders for partial crates.

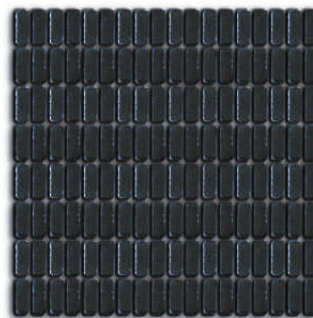

To order, or for more information, contact us today at 1-810-919-1285 or visit the web site at [www.internationalslateandstone.com](http://www.internationalslateandstone.com).
